# Rent IT business devices for your home offices

## Stay flexible without investment costs

### Simple, fast, temporary

We provide you with uncomplicated and temporary business IT devices for your home office use.

### Cost-saving, smart

Adapt your IT to the temporary requirements. Then return the devices. Simply rent what you need and avoid unnecessary investment costs.

### Large quantities

Take advantage of our large rental pool of business IT equipment, such as laptops, desktops and monitors.

### Advice included

We offer advice by telephone during office hours if your employees need help.

### Fair prices

Benefit from fair all-inclusive prices, individual package solutions including all services.

### TÜV-certified erasure after use

It goes without saying that your data will be deleted immediately after return in a TÜV-certified manner.

### Delivery and collection

The business devices are delivered by us and collected again at the end of the rental period.
